WHAT IF I CAN'T COME TO THE STUDIO

First, double check the dates/times that we have open~try to arrange it so that it does. If you still want the studio experience, we can offer you a 30-min. session to get your Drape/Tux picture taken for \$50 ...this is great if you know that you need more than the 7-min. time offered or if you just can't manage to get set aside time for the free appointment. The \$50 fee reserves the studio for you and you alone. Text or call M-F 10a-6p to make an appointment for the 30-min. \$50 session.

CS Photography (502) 641-0964 ...leave a message if you get voicemail or you can text 10am-6pm M-F

all free appointments must be scheduled online due to the volume of clients we will be servicing

I DON'T NEED TO SEE & SELECT MY PICTURE-WHAT THEN?

If you really don't feel the need to select your picture for the yearbook ~ Don't worry...we will be at school on make-up picture day (TBA) to take your picture at school. KEEP THIS IN MIND: We have stringent deadlines for yearbook submission...So, don't procrastinate and get left out of the yearbook! You'll be able to order anytime-but if you want to see the picture first they'll be online around Thanksgiving at www.csphotography.photorelect.com - order with the pricing sheet before the deadline to avoid S&H charges.

***Senior pictures taken at school will not be allowed to see/select the pose due to the number of students that we must photograph~ if you want to see/select your pose you need to come to the studio.

Clothing Guidelines So That We Can Take Your Picture Regardless Of Whether You Select The Studio Or School Option:

Boys: MUST wear a plain white t-shirt for us to place the tux shirt & jacket on their body.

Girls: Your shoulders are fully exposed for this picture You NEED to wear a strapless top/dress (it must be clothing-not just a bra) you don't want indentation marks from your undergarments showing on your shoulders. If your religion requires you to keep your shoulders covered please wear whatever you like.

***There will not be a place to change or do your hair/makeup at our studio~arrive ready to go**

Find us on Facebook @csphotographyky or look at your underclass pictures at csphotography.photorelect.com We will be doing your Junior & Senior Prom Pictures as well.

Our online scheduling will send you information and even a reminder so that you don't miss out on this one-time opportunity to get a free mini-appointment for the most important picture during high school.
