

SCHOOL BASED DECISION MAKING

Policy Format

School: DuPont Manual High School/YPAS

Subject of Policy: Athletic Eligibility

Policy Statement:

TO BE ELIGIBLE FOR ATHLETICS FOR THE SEMESTER

1. Student must be in the proper grade level.
2. Student must pass all JCPS Board of Education Graduation Requirement Courses taken the previous semester. These are identified in the JCPS SPP&G as English, Mathematics, Science, Social Studies, Health Education, Physical Education, and History/Appreciation of Fine/Visual Arts.
3. Student must have a GPA of 2.0 for the previous semester grades.

If the student is above KHSAA Academic Eligibility Requirements (passing 2/3 of all classes) for the previous semester, the student will be allowed to practice with his/her team, but will be ineligible for competition until all eligibility requirements are satisfied.

A student-athlete has the opportunity to regain eligibility through one of the following:

- The student successfully completes an e-school, summer-school, or correspondence course which resolves the academic issue from the previous semester.
- The student is at or above Manual's 6-Week Progress Report Eligibility Requirements at the end of the current semester's first grading period.

6-WEEK PROGRESS REPORT ELIGIBILITY

1. A student-athlete not passing all JCPS Board of Education Graduation Requirement Courses or having below a 2.0 GPA for the current semester must attend Athletic Extended School Services for 15 consecutive school days from 2:30 - 3:30 pm daily.
 - During the first Athletic ESS 15-day period, the student-athlete may continue to practice and play. Failure to attend Athletic ESS will cause the student-athlete to be ineligible for that day.
 - Student-Athletes are expected to use Athletic ESS to work on their academic issue(s) and should bring study material with them daily. Students failing to use the time effectively will result in the immediate revocation of Athletic Eligibility until a conference has taken place with the Athletic Director to address the issue.
 - If the student-athlete resolves the academic issue during the Athletic ESS period, the athletic director has the discretion to waive the required to attend the remainder of that Athletic ESS period.
2. At the end of the first 15-day Athletic ESS, any student-athlete still below academic requirements will be assigned to a second Athletic ESS for 15 consecutive school days from 2:30 – 3:30 pm daily.
 - During the second Athletic ESS 15-day period, the student-athlete may continue to practice, but is ineligible for competition until the student is at or above academic requirements.
 - If the student-athlete resolves the academic issue during the Athletic ESS period, the athletic director has the discretion to waive the required to attend the remainder of that Athletic ESS period.
