## POLICY STATEMENT

Selection and Implementation of Discipline and Classroom Management Techniques

The SBDM Council, for implementation of discipline and classroom management techniques, shall adhere to the rights and responsibilities of students as found in the Jefferson County Public Schools Code of Acceptable Behavior and Discipline, the DuPont Manual School Safety Plan, and the DuPont Manual High School Student Agenda expectations. Teachers, parents, and administrators will provide input in developing the School Safety Plan and Student Agenda.

The School Climate Committee will have the responsibility of reviewing this yearly and proposing admendments when necessary. This committee will report to the SBDM Council once each semester on the success of the climate within the school.

### \* School Learner Goals Or Objectives Which The Policy Promotes

These techniques will provide students with a safe, secure, and positive learning environment.
