

**SCHOOL BASED DECISION MAKING  
Policy Format**

**School:** DuPont Manual High School/ YPAS

**Subject of Policy:** Homework

***Policy Statement:***

Homework contributes to building responsibility, self-discipline and life-long learning practices for students. The intention of homework at Manual High School/ YPAS is for staff to assign relevant, challenging and meaningful assignments that reinforce learning objectives. Through the completion of unfinished assignments, independent work and creative assignments, homework allows students to practice and review classroom learning, preview upcoming learning, and extend learning. Actual time for completion of homework assignments will vary in accordance with the student's study habit, academic skills, selected course load, and magnet program.
