

**SCHOOL BASED DECISION MAKING
Policy Format**

School: DuPont Manual High School/ YPAS

Subject of Policy: Student Involvement in Professional and Community Productions

Policy Statement:

1. Manual students may have a maximum of 5 excused absences from classes to perform in professional or community productions per semester.

2. The students involved must be maintaining a C average or better in all classes.

The sponsoring organization of the production must provide to the Manual administration a written request to excuse the student at least 2 weeks prior to such event. A written request from the parent must be received by the school administration as well (to insure parent involvement and knowledge that their child will be missing classes at school).

Upon adoption of this policy, the school should notify all professional and community agencies to be affected.
