Welcome Incoming Sophomores!

If you have registered for AP World History for the 2022-2023 school year you will need to complete a Summer Assignment that we have created for you. In order to access and complete it you will need to join our special Google Classroom page. This is where you will find ALL the necessary information to get you ready for the start of the school year in August.

Simply go to GC and type in the following join class code: **zp3aibt**

Once on the page you will find everything you need! The materials, instructions, contact information, and due date are clearly listed for you as well. This assignment is REQUIRED for ALL students that have registered for AP World History in the 2022-2023 school year.

If you have any questions regarding any part of the assignment please contact Mr. Sharp at the following address:

richard.sharp@jefferson.kyschools.us

We look forward to working with you next year!
